

**Upload of modified or new models to AnyScript.org – Professional License:**

You may upload material in accordance with the instructions provided by Anybody Technology A/S and subject to the following:

You warrant:

1. that the data or models uploaded by you are made by you and do not infringe any third party rights.
2. that experimental data included in the material has been obtained in accordance with the ethical rules valid at the time and location of the experiment.
3. that the data contains no references to any identifiable individuals.
4. that the data you upload comply with the license under which they are submitted.

You irrevocably assign any rights, including without limitation copyrights including moral rights and database rights, to Anybody Technology A/S who may freely use, assign and amend the uploaded material as if it was created by AnyBody Technology A/S. For the avoidance of doubt, it is the purpose of this assignment to be a total and all-encompassing assignment as if it were taking place in accordance with § 59 of the Danish copyright act.

Notwithstanding the above you are allowed to freely use the materials you upload. It is not the purpose of the assignment above to restrict your use in any manner, only to prevent you from restricting Anybody Technology A/S from using etc. the uploaded material for the benefit of its purposes.
